Dear Donor,

This letter is for requesting your support of the 2024 E3 Camp (Empowering Excellence thru Exploration Camp). Our mission is to provide middle and high school African-American students with hands-on activities, educational field trips and opportunities, and career skills in the Arts and STEM fields, necessary to be productive citizens in the 21st century workforce.

Last July community donors provided the opportunity for 28 students to attend 17 days of this Art and STEM Camp. Students were engaged in numerous activities such as building airplanes, robots and solar cars. Field trips were taken to the Ackland Museum, Chapel Hill Public Library, Greensboro Science Center, Museum of Natural Sciences, Sankofa Farm, UNC's dental and medical schools. We were able to have 28 professional experts visit the students, representing such fields as aviation, coding, civic rights history, fire technology, forensic science and plumbing to name just a few.

Over the last 6 years, 123 African-American students have attended E3 Camp and 37 of them have become "repeaters." Those youth have come back to the camp - ranging from 2 to all 6 years of the camp.

E3 Camp Board of Directors hope that you will be inspired to make a donation to this worthwhile cause that gives African-American middle and high school students opportunities for the Art and STEM fields, which is greatly underrepresented by minorities.

Tax deductible donations can be made to :

E3 Camp 110 Alabama Avenue Carrboro, NC 27510

Memo line: Camp donation

Also, you can visit **e3camp.com** and make an online donation
